

**22nd August 2015, Saturday Juniors (Stokes Family Trophy) East Pier West Bay 12:00 - 3:00pm.**

This year's event saw a repeat of last year with 8 competitors signing on again coupled with sunny spells but with slightly choppy, fairly clear sea conditions. The match kicked off with the first fish of the day falling to Aaron Chambers with a weever. Unfortunately, during the last junior match, the junior secretary painfully ended a 20 year-long clean record in unhooking several hundred of these venomous fish for the juniors, and received a nasty sting. Thankfully Richard 'Tiny' Daw always carries a flask of hot water in case of such events and the injury was treated quickly with no ill effects. Members of the public are warned to be aware of these fish as stings can cause problems if left untreated. Thankfully this was to be the only specimen during the match and James Lawrence soon took an early lead with a string of blennies. This was to be short lived however when Eden Lynham landed a small bass and followed this up with a sizeable mackerel taking him into the lead.

Several fish followed with 6 out of the 8 weighing in flounder, weever, pollack, pout, bass, mackerel and tompot and common blenny (shanny). Lynham extended his lead with another mackerel and this proved to give him a very comfortable win; a great improvement on last year's event in which he won the wooden spoon prize! After an early lead James Lawrence maintained a second placing while new member Charlie Harrison secured a third with two flounders.

During the trophy and prize presentation, the junior secretary thanked the Stokes family for their continued support of the event at which they presented tackle vouchers for the top 3 winners and thanks were also given to the other sponsors on the day. Full results as follows:

- 1st Eden Lynham 561 g (177 g sizeable weight)
