16th April 2016, Saturday Juniors (Fred Tolley Memorial Trophy), **East Pier West Bay 12:00 - 15:00.**

Fortunately the very wet conditions of the day before gave way to cloud with sunny spells for the first fixture of the Saturday Junior season on the East Pier at West Bay. 10 West Bay S.A.C. junior members signed on to fish this opening match held in memory of the late Fred Tolley and although dry, all had to suffer a very cold northerly breeze. Flat calm sea conditions greeted the junior competitors although the water was very coloured. 7 competitors managed to weigh in with James Lawrence taking the lead with the first fish of the season, a shanny, but this was short lived as Ewan Chambers followed almost instantly with a sizeable shore rockling and continued landing a string of rockling with all but one of a legal size. The first flounder of the year came to Kai Kenway (who also had the only corkwing wrasse of the match which secured him third place) but Jamie Salvador Swords produced a slightly larger specimen to claim the heaviest flatfish prize. The pattern of seeing the venomous weever fish appearing very early in the year seems to be continuing with Owen Swatridge the lucky captor. Ewan Chambers continued leading the

rockling; this fish turned out to be the biggest of the match. Other species on the day came to Nathan McMaster who caught a tompot blenny and a sea scorpion. All fish were returned to the water. Junior matches continue throughout the year until Christmas and beginners are very welcome to come and have a go. Guests can fish matches twice with entry fees just a pound and tackle can be provided; for more details see the West Bay Sea Angling Club website or visit
