

The Fred Tolley Memorial Trophy 11th April West Bay

A bright but breezy day greeted competitors for the first fixture of the Saturday Junior season on the East Pier at West Bay. 11 junior members signed on to fish this opening match held in memory of the late Fred Tolley. Fishing can often be poor at the start of the junior matches but 8 competitors managed to weigh in. Eden Lynham took the lead with the first fish, a flounder, but soon others came to the scales. One species not often seen this early in the year is the venomous weever but two appeared during the match; the first one was captured by Caolan Ayers and the second by his sister, Shannon, who was fishing for the first ever time. Only one other round fish showed, a corkwing wrasse caught by Ewan Chambers, with flounders being the predominant species. Harry Courtice eventually took the lead with two flounders which proved enough to win him the Fred Tolley Memorial Trophy with Kadie Lynham a close runner-up with her single flounder.

Junior matches continue throughout the year until Christmas and beginners are very welcome to come and have a go. Guests can fish matches twice with entry fees just a pound and tackle can be provided; for more details see the website or visit the Angling Centre, West Bay. The junior section would like to extend their gratitude to the Watchouse Cafe for their support again this year. Prize winners as follows:
