

28th May 2016, Saturday Juniors, East Pier West Bay 12:00 - 15:00.

Ten members and one guest signed on to fish the latest Saturday Junior match on a warm day with a misty start, the sun did put an appearance in later, there was no wind and the sea was flat calm. Though the competitors were hopeful of catching some mackerel, none showed. Fishing was very slow with only ten fish being weighed in. The winner of the match managed to catch his winning fish with just ten minutes to go to the end of the match, this pushed his brother into second place.
