Saturday 3rd July saw the Juniors Annual Frank & Peggy Daw Memorial Trophy match on East Pier at West Bay. Unfortunately, we were unable to hold the match last year due to the Covid 19 restrictions. This year five competitors turned out to fish for the trophy, on a warm, dry and breezy day.

All the entrants managed to catch some fish there was a moment of excitement when the landing net was called for to land a large Ballan Wrasse of approx. 3lbs, alas it was not one of the juniors who caught it but a gentleman who was fishing on the pier at the time.

A little bit later Lidy did catch a nice little Strap Conger Eel of 338gms, but unfortunately this was not enough for her to take first place and the trophy, this went to her brother Sam.

We would like to thank the Daw family for donating extra prizes for the top three winners.
