Junior v Parents Saturday 17th September 2022.

19 juniors and 14 seniors fished the junior's vs parents match in fantastic weather on East Pier at West Bay today, landing a very respectable 173 fish between them. Species caught included Whiting, Pollack, Mackerel, Garfish, Corkwing Wrasse, Shanny, Gilthead Bream and Thick Lipped Mullet. It was another great turnout with nearly everyone making the scales and what really made it was seeing several returning faces who are becoming regulars and improving their skills all the time. We have a few ideas for the future now we are seeing a core of regulars so please watch this space.....

Prizes were:
First fish: Aaron Chambers
Most fish: Aaron Chambers
Smallest fish: Sam Carter
Heaviest fish: Mason Price
Wooden Spoon: Hector
Final junior results were:
First: Mason Price 1903g
Second: Harris Risdale 936g
Third: Chelsea Pearce 545g
Final overall results were:
First: Mason Price
Wooden Spoon: Ian Draper

It was great to see the match won by a junior again with what we think may be the biggest fish caught so far in a junior match. I'd also like to thank Richard Tiny Daw, Tom at Angling Centre West Bay, Hookpoint Fishing Magazine, Ian Draper and everyone else who came along to help for their continued support in making this what it is growing into. Next match is on 15th October, we hope to see you all there.

The winner of the match Mason Price holding his winning fish helped by Ian Draper the winner of the wooden spoon.
