DATE: 20th August 2022 **SATURDAY JUNIORS (Stokes Family Trophy)**

(Yellow denotes sizable fish/weight)

Another great turnout today with 37 juniors fishing for the Stokes family shield in breezy conditions and pretty much filling up the East Pier, West Bay. Between them they caught an impressive 11 species including:

Whiting
Pouting
Pollack
Freshwater Eel
Goby
Tompot Blenny
Shanny
Shore Rockling
Ballan Wrasse
Corkwing Wrasse
Mackerel

Biggest fish was Jack Stanbridge with a 482g Mackerel, smallest fish was Johnny Whitehouse with a 5g Goby, Amelia Rathbone had the first and most fish with 19 fish. Chelsea Pearce took home the wooden spoon.

3rd place was Amelia Rathbone with 354g sizeable fish
2nd place was Jack Stanbridge with 482g sizeable fish
1st place was Ben Stokes with 533g sizeable fish (Pictured Below. Picture courtesy of Grant Jones)

It really is encouraging to see so many juniors out fishing, we've had lots of positive comments today, the one that made my week is the two lads who fished for the first time in our last match have fished three times a week ever since- it's equally as encouraging to see so many others giving up their Saturdays to help, in particular Tom at Angling Centre West Bay for providing many of the prizes and all the free tackle, he has also secured us a £1300 grant at the club from Shakespeare for fishing tackle for the juniors, much of which was out in use today, Dean Francis at Fishing Tales for spending all day baiting and rigging up and also Grant at Hookpoint fishing magazine for providing free copies of the magazine to all the competitors, he was also present today taking a few photos for an upcoming article so keep an eye out for that. Also, many thanks to the Stokes family for the shield and prizes of tackle vouchers for the top three places.

Next match is Juniors vs Parents on 17th September, see you there
