**We fished the Frank and Peggy Daw memorial match on the 23rd July 2022, on East Pier at West Bay and had a fantastic turnout with 45 children signing on to fish. The Daw family have donated a lovely shield and provided prizes for first to third. We had 41 anglers weigh and release around 200 fish in 2 1/2 hours which was an incredible result! Most of the fish caught were Whiting with plenty of Tompots, Shannies, Corkwing Wrasse, a couple of 3 Bearded Rockling and a Flounder also getting to the scales.**

**Tom Marley at West Bay Angling Centre has been incredible, promoting the junior matches we all feel are key to getting kids outside and donating prizes for first fish, heaviest and smallest and loaning a huge amount of gear to everyone who came along, I'd say the thick end of 40 rods and reels were loaned out by the shop as well as providing all the bait for free, we weren't expecting such a big turnout so quite a few trips back to the shop were needed to get more rods and rigs! Huge thanks to Hookpoint fishing Magazine for providing excellent copies of their magazine to all the participants!**

**I think it's fair to say that kids are still more than interested in trying fishing, it's just a question of getting them the opportunity, there were heaps of smiling faces with plenty of first fish and most fish caught; we were flat out on the scales all day and I'd like to thank Tom, Richard "Tiny" Daw & Hoot for all their help- there's no way today would have been possible without the huge amount of effort they put in today. Hopefully see you all again for the next match on the 20th August.**
