First Fish	Nathan Davies Pout 51g			
Heaviest Fish	Mason Price 756g Small Eyed Ray			
Smallest Fish	Lidy Carter 11g Whiting.			
Most Fish	Nathan Davies 8 fish			

Saturday saw us hold the first match of the Junior Jurassic League on the East Pier, West Bay with 10 hardy juniors turning out to fish.

Recent rain, cold weather and coloured water didn't put the fish off with everyone weighing in fish and some good quality fish making it to the scales with live prawns picking out the better specimens. Many thanks as ever for the continued support from Tom Marley at Angling Centre West Bay, Devon Baits, Pure Fishing, Norman Stokes, and Richard Tiny Daw, it makes a huge difference having the help and support of everyone involved and without them none of it would be possible.

Fish came steadily throughout with the better fish showing towards the end of the match and persistence paying off for first and second place as their fish came in the last 30 minutes. Alfie Hoysted with his last fish caught right at the end propelled him from 6th to 2nd position. Species caught included Small Eyed Ray, Pouting, Whiting, Shore Rockling, Flounder, Pollock, and Shanny.

First fish was a Pouting that went to Nathan Davies
Most fish was Nathan Davies with 8
Smallest fish was Lidy Carter with a Whiting of 11g.
Heavies fist was a 756g Small Eyed Ray that went to Mason Price
Third place was Nathan Davies with 285g.
Second place was Alfie Hoystead with 299g.
First Place was Mason Price with 775g.

Mason Price with his winning fish

Alfie Hoysted with his ray that earned him 2nd place.
