Most Fish	No individual winner so will rollover			
Heaviest Round Fish	None caught, prize to roll over			
Heaviest Flat Fish	Matthew Cranston 493g Flounder			
Weather	South-Easterly 10mph wind. Cloudy but dry.			

Twenty-two juniors turned out to fish the first match of the year, the Fred Tolley memorial Trophy. Sadly, someone forgot to tell the fish we were here today. All competitors tried their hardest to catch a fish but sadly only three fish were landed, all Flounders. The first to catch was Jamie Haggett with a 35g Flounder, then new member Matthew Cranston gave a shout that he had hooked a fish and upon reeling in it was a beautiful Flounder of 493g, which proved to be the winning fish on the day which also won the heaviest flat fish prize which had rolled over from the previous five matches and stood at £15.
