Weather	South-South easterly 7 – 11mph cold wind, cloudy sunshine.			

Fourteen juniors braved the cold wind to fish the penultimate match of the year on the East Pier West Bay. Unfortunately, Ben Carter was unable to run the match as he was in hospital with his son Sam, all present wishes Sam a speedy recovery. The first fish fell to Chelsea Pearce just after the start of the three-hour match, and then it was a steady stream of fish coming to the scales right up till the end of the match, Which kept Norman Stokes & Luke Jeans very busy un-hooking, rebaiting & untangling the lines, a very big thank you to them for all their help. Also, a big thank you too The Angling Centre for supplying the first class bait.

The predominate fish was Whiting with 94 being caught, also 28 Bass & 1 Pout. Quite a few of the whiting were sizable fish which takes precedence over the none sizable fish. All the fish were returned alive.
