Species Caught	Fish: 1 Silver Eel, 31 Bass, 34 Pout, 2 Flounder, 2 Poor Cod, 1 Mackerel, 1 Smelt, 2 Pollock. Total fish 74.				

Weather	**Cloudy with a South-westerly 15-27mph wind, thankfully the forecasted rain held off till the end of the match.**	

The annual Junior v Parents match took place on the 19th September 2026. We had twenty-four Junior's & sixteen adults braved the strong South-Westerly wind but thankfully the forecasted rain held off till the end of the match.
A shoal of Mackerel was in the harbour but as the horn blew for the start of the match, they disappeared and sadly only one was caught in the match, but there was still lots of small fish to be caught. the first fish fell to Evelyn Restall a 17g Pout then one of the seniors Ollie Mears caught a sizable 72g Shore Rockling which put him in the lead for the Trophy.
As the match progressed a steady stream of fish came to the scales including Pout, Bass, Blennies, Poor Cod, Flounder, Silver Eel, Rockling and only 1 Mackerel. Then Quin Whitfield managed to catch a sizable Silver Eel of 148g which put her into the lead which she kept till the end.
1st Quin Whitfield (Junior) (Right) 148g Sizable weight 166g total weight
2nd Ollie Mears (Senior) 72g sizable weight.
We would like to thank; Norman Stokes for all the help, The Angling Centre West Bay for supplying the bait and equipment, Keith Woods & Tiny
