The 22nd August saw our annual Stokes family trophy fished alongside the Wyvern Junior match, good weather saw a very respectable turnout of 40 anglers fishing, it was great to see such serious anglers fishing from visiting clubs, huge thanks to the Stokes family for donating the prizes, also to Norman in particular who helps so much all year helping the juniors in so many ways. As ever thanks to Tiny for manning the scales and helping so much with all the organising and **Angling centre west bay** for all their support, without people like this giving up their free time none of these events would be possible.
Species caught were Pout, Tompot, Corkwing, Smelt, Pollock, Whiting and Shanny-a large shoal of Mackerel left the harbour just as we were about to start fishing.
First fish went to Chelsea Pearce
Most fish was Theo John with 14
Smallest fish was Evelyn Restall with a 2g Smelt
Heaviest Round fish was Ben Cracknell
Third place was Sam Carter with 280g
Second place was Theo John with 394g
First place with a Eel towards the end was Ben Cracknell with 442g

Left to Right Ben, June, Norman & Emma Stokes, Ben Cracknell & Robert Heath
